- they are readily identifiable and are IAAF certified
- they are not already on the official list
- they have been checked for compliance with IAAF Rules

In order to speed up the checking in of eligible personal implements, please come prepared and consult the IAAF list on the website (<https://www.iaaf.org/about-iaaf/documents/technical>) in advance to identify the implement noting its IAAF certification number. If you do not find your implement in the list but you believe that it is/was certified, please contact the IAAF office at technicalofficer@iaaf.org so that its status can be checked and confirmed to you and the LOC in due time.
